Declaration of support

To The Ukrainian Bridge Federation,

The Danish Bridge Federation would like to express our support for our bridge friends in Ukraine along with the rest of the Ukrainian people.

We strongly condemn the unjustified Russian attack. We will not allow any Russian or Belarussian players or officials to participate in Danish tournaments until further notice.

Although card games may seem like a distant concern in these times, we hope that normality will soon return to Ukraine, so you will once again be able to enjoy peaceful activities like bridge.

Sincerely,

Nis Rasmussen

Chairman, Danish Bridge Federation
